Dear School/club,

Re: South West Youth Games 2017

We are inviting schools and clubs to be a part of the South West's very own Youth Olympics which targets children and young people from the age of 8 to 18yrs under County Standard from Devon and Cornwall.

Every year the South West Youth Games gives more than 1500 participants the chance to be part of something special.

The region's largest community sporting event gives young people the chance to come together in the spirit of competition, fair play and friendship.

Combining a fun event with healthy competition, the South West Youth Games inspires children and young people to take up regular sporting activities, which can help them lead healthier lives.

Excitement is growing for this year's South West Youth Games as it promises to be the biggest and best yet.

To find out more about trials/team selection in your area and how you can be involved in the South West Youth Games in July please visit our website www.southwestyouthgames.co.uk to see how you can get involved.

There is also a South West Youth Games Street Sports event taking place in Cornwall on 31st May for any pupils you may have that are into scootering, skateboarding or BMX for school years 4-11.

We have enclosed a number of 'You've been Spotted' cards, for you to give to pupils that may want to represent their area at the South West's Olympic games event. The area co-ordinators are provided on the back of these cards for individuals and their parents to get in touch.

We have also enclosed posters for your notice boards.

With more teams, more sports and more partners involved than ever before the South West Youth Games promises to be an amazing spectacle for participants families and partners.

If you are keen to get involved in any way or would like to find out more information please do not hesitate to contact me or email the team at swyouthgames@gmail.com

Yours Sincerely

Nikki Taylor / Ben Hugill
