PARENTS, CARERS, CHILDMINDERS (All other interested parties all very welcome.)

# THRIVE

**All behaviour is communication**, and THRIVE enables us to see where the child is communicating in **unhelpful** ways and how to help them **deal with the stress they feel**. In this way, they can express themselves more **appropriately** and their emotional **needs** are more likely to be met. This will benefit them in every way and particularly in order for them to **progress educationally**.
