## Equality Policy

### Our Vision

To create the best possible environment in which to stimulate the personal and social growth of the children in our school, whilst promoting high quality teaching and learning. This is to be achieved through our E.P.I.C. Vision, which represents the four pillars of Enjoyment, Potential, Inclusion and Community.

*'The governing body of a school shall make arrangements for ensuring that their functions relating to the conduct of the school are exercised with a view to safeguarding and promoting the welfare of children who are pupils at the school'*

Section 175 (2) Education Act 2002

The Staff and Governing Body of Exminster Community Primary School recognises its collective responsibility to safeguard and protect the welfare of children and young people in accordance with its statutory responsibility under Section 175 of the Education Act 2002 and where appropriate under the Children Acts.

*This single policy replaces separate policies the school has on race, disability and gender to eliminate discrimination, advance equality of opportunity and foster good relations. It reflects the legal duties set out in the [Equality Act 2010](#) and [non-statutory guidance](#) set out by the government in December 2011 and March 2012. Part One sets out the school's aims to promote equality of opportunity and comply with the Act; Part Two sets out the legal duties which are referred to in Part One*

#### **Mission Statement**

***We aim to allow children to reach and exceed their potential. We fully recognise and adapt to individuality.***

***We aim to provide our children with the opportunity to fully develop their abilities and skills in all areas of the curriculum, with a special emphasis on being safe, strong and free.***

***We aim to develop an effective and positive partnership between home, school and the community and encourage a sense of worth in everybody involved in the school community.***

The primary aim of Exminster Community Primary School is to enable all pupils to take part as fully as possible in every part of school life by developing each child's self-confidence, recognising their strengths and encouraging them to achieve their full potential.

At Exminster Community Primary School we will take steps to advance equality of opportunity, foster good relations and eliminate discrimination or harassment across all the protected characteristics (age, race, gender reassignment, disability, marriage and civil partnership, religion and belief, pregnancy and maternity, gender, sexual orientation) within the school community.

This means:

- We will take reasonable and necessary steps to meet pupils' needs by using a variety of approaches and planning reasonable adjustments for disabled pupils, enabling our pupils to take as full a part as possible in all the activities of the school. We will make reasonable adjustments to ensure the school environment and its activities are as

accessible and welcoming as possible for pupils, staff and visitors to the school. We are also committed to ensuring staff with a disability have equality of opportunity.

- We will actively encourage positive attitudes towards pupils and staff and expect everyone to treat others with dignity and respect.
- We will regularly consider the ways in which the taught and wider curricula will help to promote awareness of the rights of individuals and develop the skills of participation and responsible action.
- We will regularly consider the ways in which our teaching and the curriculum provision will support high standards of attainment, promote common values, and help pupils understand and value the diversity that surrounds them, and challenge prejudice and stereotyping.
- We will monitor the progress and achievement of pupils by the relevant and appropriate protected characteristics. This information will help the school to ensure that individual pupils are achieving their potential, the school is being inclusive in practice, and trends are identified which inform the setting of our equality objectives in the school improvement plan.
- We will collect and analyse information about protected characteristics in relation to staff recruitment, retention, training opportunities and promotions to ensure all staff have equality of opportunity. We will not ask health-related questions to job applicants before offering a job, unless it relates to an intrinsic function of the work they do. We will make reasonable adjustments such as providing auxiliary aids for our disabled staff.
- We will ensure the curriculum is accessible to all pupils with special educational needs and disabilities (SEND) or those for whom English is not their first language. Auxiliary aids and services will be provided for them, where reasonable adjustments are required. By planning ahead, we will ensure that all pupils are able to take part in extra-curricular activities and residential visits, and we will monitor the uptake of these to ensure no one is disadvantaged on the grounds of a protected characteristic.
- We will seek the views of advisory staff and outside agencies and partnerships with other schools where this is needed. In planning the curriculum and resources we will take every opportunity to promote and advance equality.
- Bullying and Prejudice Related Incidents will be carefully monitored and dealt with effectively. Regular training will be given to both existing and new staff to ensure that they are aware of the process for reporting and following up incidents of prejudice-related bullying (follow link to new DCC guidance).
- We expect that all staff will be role-models for equal opportunities, deal with bullying and discriminatory incidents and be able to identify and challenge prejudice and stereotyping.
- Throughout the year, we will plan on-going events to raise awareness of equality and diversity. This may include a focus on disability, respect for other cultures, religions and beliefs, anti-homophobia/gay pride, gender equality, developing community cohesion and an understanding of the effects of discrimination. This will be set out as equality objectives in the school improvement plan.
- We will ensure pupil/parent/staff consultation is regularly sought in the development and review of this policy.
- We will regularly seek the views of pupils, parents, advisory staff and visitors to the school, to ensure that the school environment is as safe and accessible as possible to all school users. We will regularly review our accessibility plans.
- We welcome a diverse range of candidates and encourage those who are currently under-represented to join.
- We will ensure that all staff are aware of their legal duties under the Equality Act 2010, the different forms of discrimination and what 'reasonable adjustments' mean in practice.
- We will set out training and awareness sessions in the school improvement plan.

- We will consult with stakeholders, i.e. pupils, parents/carers, staff and relevant community groups, to establish equality objectives and draw up a plan based on information collected on protected groups and accessibility planning. These equality objectives will be reviewed and reported on annually.
- We will maintain and update an equality page on the school website to show how we are complying with the Public Sector Equality Duty (PSED) in the Equality Act 2010 and advancing equality of opportunity.
- When drawing up policies, we will carry out an equality impact assessment (EIA) to ensure a policy does not, even inadvertently, disadvantage groups of pupils with protected characteristics. We will consider to what extent a new/revised policy, practice or plan meets the Public Sector Equality Duties (eliminates discrimination, advances equality and fosters good relations for all the protected characteristics) and recommend changes/mitigations where necessary (DCC policies will have already had EIAs carried out).
