

The EPICentre of Learning

Welcome back, we've got a busy and exciting 7 weeks ahead and we're really looking forward to all the learning and activities planned.

Our Foundation Stage and Key Stage 1 Sports Morning was an absolute triumph today! It was truly wonderful to see so many parents join us, creating a fantastic atmosphere as the children enthusiastically participated in all the activities. The joy and excitement on their faces were palpable, making for a truly memorable morning for everyone involved. A huge thank you to all the parents who came along and supported the event, and special thanks to our dedicated staff for their incredible efforts in organising such a brilliant morning!

Lost Property: We have a lot of un-named cardigans and jumpers in lost property. If your child has lost a cardigan or jumper, please feel free to come and have a look in the box beside the front door where we are keeping it.

Auditor Required: The ESA are looking for an independent qualified auditor who can volunteer some time to audit their year-end financial accounts. If you are able to offer your services or know someone else who can please contact the school office.

Thank You for Supporting Mental Health Workshops: We want to extend a huge thank you to one of our parents whose insightful suggestion led to the creation of our mental health workshops for all year groups, complete with engaging activities for the children. So far, we've successfully held sessions for Years 5 and 6. The format for these workshops begins with an adults-only session where we discuss the various ways our school promotes positive mental health. This is followed by a second part where the children join in for activities alongside the attending adults. Please check out for the dates for your child's year group and consider joining us! Your participation makes a real difference.
